Please list players' full names and phone numbers in the table below. (Don't forget your own child!) Please ensure that you have the correct spellings and numbers for each child. The number of children you may request depends on the age group your team is participating in:

- Pee Wee (4 and 5 year olds) you may request up to 8 children (play 3 v 3)
- 6 and under you may request up to 10 children (play 5 v 5)
- 7 and under you may request up to 14 children (play 7 v 7)
- 8 and 9 year olds you may request up to 16 children (play 9 v 9)
- 10 and 11 year olds you may request up to 18 children (play 11 v 11)

Eligibility is based on child's age as of 8/1/10 for Fall 2010 & Spring 2011 leagues.

You are not required to request the maximum number of players for your age group. Children not requested will be randomly placed in empty roster spots.

Please ensure the parents of the children you are requesting for your team are aware of the following:

- The age group YOU are signing your child up for. They must be signed up in the same age group as you are in order for their child to be placed on your team. If the child does not meet the age requirements for that particular age group, the child will not be allowed to participate on your team. **(Age as of 8/1/10)**
- Your request for a child to be placed on your team does not register the child for the program. It is still the parent's responsibility to register their child with O'Fallon Parks and Recreation and pay the appropriate registration fee.
- Additionally, your request does not guarantee the child a spot in the program. If the child is not registered within the dates below, they will be placed on the waitlist. After all the children who are registered have been placed on teams, available spots will be filled with those on the waitlist in the order in which they were placed on the waitlist.
- **A \$12 late registration fee will go into effect at 5:00pm on Thursday, July 22, 2010. Registration will close on Thursday, August 5, 2010 or when the program is full. Registration will not be allowed for anyone after that date.**

If you have any questions please contact Amy Anderson at 636-474-8111 or email aanderson@ofallon.mo.us
